Utilizing Nature's Gift.®

The Skyspan Roof Access Hatch systems are sturdy built for commercial and domestic applications. Made from Zincalume steel with secure lockable latches, the access hatchway creates safe and easy access to the roof space and protects from intruders, noise and the unwanted elements of nature. Available in 3 models, the Skyspan Roof Access Hatch system is available in all Colorbond roof colours and can fit all common Australian roof types.

The Skyspan Hatch is manufactured to comply with the Australian Standards and is covered by a **seven (7) year guarantee**.
